

SUNSCREEN CONSENT FORM

Dear parents,

Sunscreen can be stored and applied at school. **Sunscreen can not be left inside child's cubbies.** If you would like to leave your child's sunscreen give it your child's classroom teacher so that it can be properly placed. The sunscreen needs to be properly labeled by parent/guardian. It needs to have the child's first and last name on it.

It is the parent/guardian responsibility to apply a thorough coat of sunscreen on your child prior to arriving to school each day.

WOW Christian Preschool staff will apply a second coat with parent/guardian permission. The W.O.W. staff will apply the sunscreen on your child before physical development in the afternoon (weather permitting).

Please be advised that sunscreen will not be applied if this consent form is not signed and date by child's legal guardian. Thank you!

I _____, agree to the terms listed above and give permission to W.O.W. Christian preschool staff to apply one coat of sunscreen on my child during each attended school day.
